

A RESOLUTION SUPPORTING THE ALASKA STATEHOOD ACT
(CONSTITUTIONAL) 90/10 COMPACT PROVISION ON OIL AND GAS
ROYALTIES.

WHEREAS, the United States Congress, in the passage of Alaska National Interest Lands Conservation Act (ANILCA) reserved the right to permit further oil and gas exploration development, and production within the coastal plains of Arctic National Wildlife Refuge (ANWR); and

WHEREAS, Congress is still considering, with the support of many Alaska elected officials, congressional budget bills reducing the ninety(90%) percent share of federal oil and gas royalties in violation of the Alaska Statehood Act; and

NOW, THEREFORE, BE IT RESOLVED THAT Nunapitchuk City Council, on behalf of its citizens, encourages our Congressional Delegations in Washington, DC; Governor of the State of Alaska; and the other elected officials to support the compact provisions of the Alaska Statehood Act, of whom they are under oath to protect and preserve, and should any legislation be passed by the US Congress to reduce the Alaska's oil and gas revenue guaranteed to its citizens by the Statehood Act, that such legislation include provisions that it must be approved by a vote of the people of Alaska.
